Note:

1. The selection for the post of Scientific Assistant-IV shall be through a **Computer-Based Test (CBT) only**. The CBT will be held at Pune on a specified day; the date and other details will be intimated through the **Hall Ticket/Admission Ticket** sent via email and hosted on the C-MET website. No other communication will be sent by post. Admission to the CBT is provisional.
2. The syllabus for the CBT will be drawn from the subjects and at the level mentioned in the essential qualifications prescribed in the Advertisement for the post. The test will be objective in nature. Further details regarding the date, venue and other particulars of the examination will be announced later on the C-MET website.
3. Selection will ordinarily be made on the basis of performance in the CBT, subject to the candidate securing the **minimum qualifying marks** as determined by the Competent Authority. However, C-MET may also conduct an interview of the candidates securing the minimum qualifying marks, if circumstances so warrant, and this shall be at the sole discretion of the Competent Authority. Qualifying in the CBT does not by itself entitle a candidate to be called for the interview.
4. **No request for an online mode of examination will be entertained.** All shortlisted candidates shall appear for the CBT in person at the venue and place decided by C-MET. No TA/DA shall be paid for attending the CBT, and candidates shall make their own arrangements for travel and stay.
5. Candidates shall carry a printed Hall Ticket/Admission Ticket and an original, valid photo identity proof to the venue. Any discrepancy in, or non-receipt of, the Hall Ticket should be reported immediately to recruitment.cmet@gmail.com
6. Candidates who are employed in Government Departments, Autonomous Bodies, Public Sector Undertakings, Universities or any other organisation requiring prior permission shall produce a **No Objection Certificate (NOC)** from their present employer at the time of CBT/document verification, as applicable, if their application has not been forwarded through the proper channel. Failure to produce the requisite NOC, wherever applicable, shall render the candidate ineligible to appear for the CBT and the candidature shall be treated as cancelled.
7. The candidature of all shortlisted candidates is **purely provisional** and is subject to verification of eligibility conditions, educational qualifications, experience, age, category certificates and all other claims made in the application. Appearance or qualification in the CBT shall not be treated as confirmation of eligibility. Candidates shall produce the original certificates along with one set of self-attested photocopies at the time of CBT/document verification, as and when called. If, at any stage of the recruitment process or even after appointment, it is found that the candidate does not fulfil the prescribed eligibility criteria or has furnished any false, incorrect or misleading information or suppressed any material fact, his/her candidature/appointment shall be cancelled without assigning any further reason.
8. Mere shortlisting for the CBT, appearance or qualification in the CBT, or inclusion of a candidate in the list of shortlisted candidates shall not confer any right to appointment. C-MET reserves the right to restrict the number of candidates called for the CBT, modify or cancel the recruitment process, or not fill the advertised vacancy without assigning any reason.
