Note:

1. The selection for the post of Scientist-B shall be through a **Computer-Based Test (CBT) followed by an interview**. Shortlisted candidates shall appear in the CBT to be held at Pune on a specified day. The date and further details regarding the CBT/Interview will be communicated through the **Hall Ticket/Admission Ticket**, sent via email and hosted on the C-MET website. No other communication will be sent by post. Admission to the CBT is provisional.
2. The syllabus for the CBT will be drawn from the subjects and at the level mentioned in the essential qualifications prescribed in the Advertisement for the post. The test will be objective in nature. Further details regarding the date, venue and other particulars of the examination will be announced later on the C-MET website.
3. Only those candidates who qualify in the CBT by securing the **minimum qualifying marks** as decided by the Competent Authority will be called for the interview. Qualifying in the CBT does not by itself entitle a candidate to be called for the interview.
4. **No request for online mode of examination or interview will be entertained.** All shortlisted candidates shall appear for the CBT in person at the venue and place decided by C-MET, and all candidates who qualify in the CBT shall attend the personal interview in person. No TA/DA shall be paid for attending the CBT or the interview, and candidates shall make their own arrangements for travel and stay.
5. Candidates shall carry a printed Hall Ticket/Admission Ticket and an original valid photo identity proof to the venue. Any discrepancy in, or non-receipt of, the Hall Ticket should be reported immediately to **recruitment.cmet@gmail.com**.
6. Candidates who are employed in Government Departments, Autonomous Bodies, Public Sector Undertakings, Universities or any other organisation requiring prior permission shall produce a **No Objection Certificate (NOC)** from their present employer at the time of CBT/document verification/interview, as applicable, if their application has not been forwarded through the proper channel. Failure to produce the requisite NOC, wherever applicable, shall render the candidate ineligible to appear for the CBT/interview and the candidature shall be treated as cancelled.
7. The candidature of all shortlisted candidates is **purely provisional** and is subject to verification of eligibility conditions, educational qualifications, experience, age, category certificates and all other claims made in the application. Appearance or qualification in the CBT shall not be treated as confirmation of eligibility. Candidates shall produce the original certificates along with one set of self-attested photocopies at the time of document verification/interview, as and when called. If, at any stage of the recruitment process or even after appointment, it is found that the candidate does not fulfil the prescribed eligibility criteria or has furnished any false, incorrect or misleading information or suppressed any material fact, his/her candidature/appointment shall be cancelled without assigning any further reason.
8. Mere shortlisting for the CBT, appearance or qualification in the CBT, or inclusion of a candidate in the list of shortlisted candidates shall not confer any right to appointment or to be called for the interview. C-MET reserves the right to restrict the number of candidates called for the interview, modify or cancel the recruitment process, or not fill the advertised vacancy without assigning any reason.
